Guidelines for “Chemicals Promotion and Development Scheme (CPDS)”

1.0 Objective of the Scheme:

The objective of Chemicals Promotion and Development Scheme (CPDS) is to facilitate growth and development of Chemicals and Petrochemicals Industry by creation of knowledge products through studies, survey, data banks, promotional materials etc. and dissemination of knowledge through conduct of seminars, conferences, exhibitions, etc. to facilitate development of these sectors.

The Scheme also aims to incentivize research and innovation by awarding outstanding efforts in the field of chemicals and petrochemicals.

2.0 Components of the Scheme

Scheme will have three components.

2.1 Component I - Creation of knowledge products

This will include conducting studies/surveys, preparation of survey reports, acquisition of books, magazines, learning modules, data banks and production of promotional materials such as films, displays, e-booklets and brochures etc. In addition, any other activity which facilitates development of Chemicals and Petrochemicals sector may be supported.

2.2 Component II - Knowledge dissemination

This will include organisation of seminars, workshops, conferences, conventions, Trainings, exhibitions, investor's meet, etc. on issues/subjects relevant to development of chemicals and petrochemicals sectors. An indicative list of subjects is given as under:-

- a. Quality Management System/Quality Improvement Program
- b. Issues related to feedstock, pesticides and chemicals
- c. Success Story Presentation-Green technologies and other innovative technologies in chemical sector
- d. Outreach programmes for industries on Government

- regulations/guidelines for chemical and petrochemical sector etc.
- e. Waste Management
 - f. Chemical safety and security including handling and transportation of chemicals.
 - g. Setting up of standards

2.3 Component III – Excellence Awards

National Awards will be given to recognize excellence in research and innovation in the Chemicals and Petrochemicals Sector.

Details of these three components and implementation arrangements are given subsequently in these Guidelines.

3.0 Implementation Arrangements

3.1 Component I – Creation of knowledge products:

3.1.1 This component will ordinarily be implemented by the Department or through any Government agency such as autonomous bodies and PSUs or government academic institutions. In exceptional cases, support may be provided to industry associations for conducting studies or for preparing Industry Reports subject to the condition that financial support will not exceed 50% of the cost or Rs. 7.50 lakhs, whichever is lower, per study/report.

3.1.2 If Government assigns work of creation of knowledge products to any Government agency, it will finalise the Terms of References (ToRs). However, if any Government agency (autonomous bodies/PSUs/Academic institutions) or industry association wants to conduct any study or prepare a report then an application giving details as per Annexure I will need to be submitted to the Government.

If grant is approved, it would be released in three instalments:

- (i) 30% will be issued along with sanction order after executing surety bond in the prescribed format.

- (ii) 30% grant will be released on submission of the draft report along with executive summary. If required, presentations need to be arranged before the Department before this instalment is released.
- (iii) Final instalment of 40% will be released on acceptance of the final report (10 hard copies and soft copies).
- (iv) Any study report funded by the Government under the Scheme will be joint property of the Department and the concerned Organisation and this will be suitably acknowledged and shall not be used for any commercial purpose by the Organisation.

3.2 Component II – Knowledge dissemination:

3.2.1 Knowledge dissemination events (seminars/ workshops/ conferences/ conventions, etc.) will be organised by:

- (a) The Department of Chemicals and Petrochemicals by itself or in collaboration with other organisation.
- (b) Government agencies such as Academic institutions and autonomous bodies/PSUs under the Department
- (c) Associations of industry in Chemicals and Petrochemicals sector.
- (d) A specialized organisation having demonstrated expertise in the field in which proposed event is to be organized.

3.2.2 Financial support for knowledge dissemination events:

- (a) For events to be organised by the Department or Government agencies, financial support will cover the entire cost for organisation of the event subject to realistic assessment of income and expenditure for the event and availability of budget.
- (b) For events to be organised by industry associations or specialized organizations, Grant for any one event would be limited to 50% of the total estimated expenditure, further subject to the condition that maximum of Rs. 5 lakhs for one day event and Rs. 7 lakhs for two days event would be provided.

(c) Normally, one organisation will be supported for one event during a financial year.

3.2.3 Organisations will be permitted to use the Logo of the Department for display on publicity material as well as during the event with the prior approval of the Department. The Organisation will ensure that while displaying the Logo of the Department of Chemicals and Petrochemicals, all the provisions of the Notification G.S.R. 643 (E) dated 4th October, 2007 of the M/o Home Affairs regulating the use of the State Emblem of India are strictly adhered to. The guidelines for logo support will be issued separately.

3.2.4 Department of Chemicals and Petrochemicals will seek proposals from Autonomous bodies/PSUs under it as well as from industry associations regarding proposed events during the next financial year. A notice will also be placed on the website of the Department seeking such proposals from organisations falling in the category of 3.2.1 (d). Preliminary proposals giving details of the proposed event, topic/theme of the knowledge dissemination event, likely speakers and participants and other details such as venue, likely date etc. will be submitted by the due date. Proposals falling under category 3.2.1 (d) will be considered only from such organisations which have been working for at least five years and have successfully organised Knowledge Dissemination events in the past.

3.2.5 These details will be considered by a Committee co-chaired by Jt. Secretary (Chemicals) and Jt. Secretary (Petrochemicals) in consultation with other stakeholders to finalise the annual calendar of events. However, no formal sanction for financial assistance will be sanction/issued at this stage. The annual calendar will be approved by Secretary (C&PC) and events included therein will be supported under the Scheme. In exceptional cases, proposals not included in the calendar may be undertaken with the approval of Secretary (C&PC).

3.2.6 Once calendar of events is approved, concerned Organisation will be required to submit application for financial assistance giving details as per Annexure II at least two months prior to the event. Organisations which fall in the category 3.2.1 (d) will

have to provide sufficient details to establish their expertise in the area and also evidence of successfully organising knowledge dissemination events in the Chemicals/Petrochemicals sector in previous years. Sanctioned grant will be released in one instalment.

3.2.7 Organizations receiving Grant for this component will be required to submit a report within one month after organization of the event: -

- (i) Proceedings of the event.
- (ii) Copies/cutting of advertisements/publicity done.
- (iii) List of participants.
- (iv) List of resource persons with topics/presentations by them.
- (v) Suggestions/Queries of participants, if any.
- (vi) Outcome of the event / recommendations for various stakeholders.
- (vii) Performance -cum- Achievement Report
- (viii) Follow up action taken / to be taken.
- (ix) Details of actual expenditure and income earned (from all sources) after the event duly certified by Chartered Accountant.
- (x) Utilization Certificate (UC) in the prescribed proforma duly signed by the Head of the Organization. (Annexure -III)

3.3 Component III – Excellence Awards

Department of Chemicals and Petrochemicals will give Excellence Awards to recognize excellence in research and innovation separately for Chemicals and Petrochemicals/Plastics sector. The component will be implemented by CIPET which would be provided necessary financial support for the same. Detailed guidelines for Excellence Awards for Chemicals and Excellence Awards for Petrochemicals/Plastics will be issued separately.

4.0 General Conditions for availing Grant/Assistance

OFFICE MEMORANDUM

Subject:- Use of Department's logo support for events organized by the Industry Associations, Autonomous bodies, PSUs, Academic institutions and Specialized organizations with/without any financial assistance from the Department of Chemicals and Petrochemicals.

Department of Chemicals and Petrochemicals has been, from time to time, receiving requests from Industry Associations, Academic institutions etc for permitting use of Department's logo for the events being organized by them for Chemical and Petrochemical sector, with/without any financial support from the Department.

2. Although the Department is always supportive of the events that are organized for the development and promotion of the Chemical and Petrochemical sector and provide a platform for showcasing the strengths of this sector, certain amount of caution has to be exercised in permitting the use of Department's logo support for such events, as this may sometimes create misgivings in the minds of common public/Industry or result in misuse of Department's logo/name.

3. The permission for use of Department's logo or mention of the Department's support for an event shall only be granted by the Department with the approval of Secretary, Department of Chemicals and Petrochemicals. Such permission may be granted by the Department after ascertaining the antecedents of the organizing agencies, their suitable registration, their involvement in the Chemical and Petrochemical sector, capacity to undertake the event and a good track record.

4. The permission for use of Department's logo with/without any financial support for the event shall be granted, subject to the following conditions:

- (i) The theme/topic of the event/conference/seminar/workshop etc. should pertain to the core subject matter dealt with Department of Chemicals and Petrochemicals.

- (ii) The objective of the event/conference/seminar/workshop etc. should be to promote the Chemical & Petrochemical sector.
- (iii) The Department's support to the event is governed by the Gazette of India Notification G.S.R. 643 (E) dated 4th October, 2007 of M/o Home Affairs regulating the use of the State Emblem of India.
- (iv) All the provisions of the notification need to be followed scrupulously while undertaking the publicity etc., in particular, the Government Emblem may not be used on the stationery such a letter head of the organizer of the event. Further, the Government Emblem should be displayed prominently in publication/advertisement, etc. as per the provisions of the notification.
- (v) The organizer should acknowledge the Department's support and logo of the Department should be prominently displayed and visible, i.e. on the hoardings/banners/background screens, etc.
- (vi) Department's logo would only be used for promotional and non-commercial purposes. In no case, it should be misused for collection of donation /contributions etc.
- (vii) The event should prominently display the name of the Department.
- (viii) In case of seminars, conferences etc , a proper place on the dais should be offered to the Officers of the Department of Chemicals and Petrochemicals and they should be included as speakers and panelists.
- (ix) Care must be taken by the organizers to ensure that the platform of the event is not misused for any anti-national acts and /or for making irresponsible statements.
- (x) A Feedback Report on the deliberations and decisions taken during the event would be submitted to the Department, at the end of the event, by the organizers.
